CONDOLENCE TO FRANCE**

On behalf of the Government and and people of The Republic of Trinidad and Tobago, Prime Minister Dr the Honourable Keith Rowley wishes to convey heartfelt condolences to the President of France and the French people with respect to the unspeakable horrors of yesterday's attacks. As the Government and people of France struggle to come to terms with these attacks, the rest of the world is also gripped by shock, sadness and outrage. No nation should ever have to face such tragedy and it is hoped that nothing of this nature will ever befall any nation again.

Dr The Hon. Keith Rowley
