**PRIME MINISTER ROWLEY EXTENDS CONDOLENCES TO THE US
GOVERNMENT AND PEOPLE**

On behalf of the Government and People of the Republic of Trinidad and Tobago, I wish to convey heartfelt condolences to the President of the United States of America and the American People with respect to the unspeakable horrors of this morning's attack on an Orlando, Florida nightclub, the worst mass shooting in American history.

As the Government and people of the United States of America struggle to come to terms with this terrible tragedy, Trinidad and Tobago is also gripped by shock, sadness and outrage. No nation should ever have to face such tragedy and it is hoped that nothing of this nature will ever befall any nation again.

Dr the Honourable Keith Rowley
Prime Minister of the Republic of Trinidad and Tobago
